ARIZONA'S BURN INJURY AND GAS EXPLOSION LAWYERS

Over the past two decades the Cunningham Law Firm has handled numerous burn injury cases and has developed an expertise in this area. These cases have involved propane, natural gas explosions, products causing automotive and/or home fires as well as electrical, scald, and chemical related burns. Matt Cunningham is a member of the American Burn and National Fire Protection associations. The Cunningham Law Firm is recognized by professionals in the burn community as true advocates.

PROVEN SUCCESS Since 2003, the Cunningham Law Firm has obtained more than \$145 million on behalf of its clients through settlements or verdicts. In 2008, Matt and Jim Cunningham obtained the largest burn injury verdict in Arizona state history. The case involved two brothers, ages 12 and 3 who suffered severe burn injuries when a flash fire erupted from a defective gas oven range. The Pinal County jury hearing the case rendered a unanimous verdict awarding the two injured boys and their parents, \$43.1 million. The Cunningham Law Firm has successfully represented individuals in gas, thermal, chemical, scald and electrical burn injury cases.

The driving force behind the firm's success is doing what is necessary to help the client. This often requires the expenditure of a significant amount of money during the development and preparation of the case for trial. The Cunningham Law Firm

has assembled some of the best experts in the United States involved in fire, explosion and burn related cases. They will bring forth whatever resources are necessary to give the case the greatest opportunity for success.

FRIENDS OF THE BURN COMMUNITY Matt and Jim Cunningham believe in giving back to the organizations who are dedicated to assisting burn survivors and their families. They were recently recognized by the Foundation for Burns and Trauma as its first ever Courage Level Sponsors. The award provided to them reads: "Your generosity and kindness is a true blessing to burn survivors throughout Arizona. Your lifetime donations have exceeded \$500,000 making you our first Courage Level Sponsor. We are proud and honored to have the Cunningham Law Firm as our sponsor and our friend."

Matt and Jim Cunningham's skills in handling burn related cases are matched by their generosity to organizations involved with assisting burn survivors. In addition to Arizona, the Cunningham Law Firm handles burn injury cases throughout the United States.
